

1. Scope

This policy covers every expense claimed by an employee of Acme Operations, including travel between the offices listed in section 3.

2. Limits

An employee may claim up to 75 per day for meals while travelling, unless the rates table in section 3 says otherwise for the city. A single purchase above 2,500 needs the approval of a director before it is made. Claims are paid within 10 working days of approval.

3. Rates by city

The meal rate and the lodging cap depend on where the employee stays. The hardship factor multiplies the meal rate; a factor of 1.000 leaves it as it is.

City	Meals per day	Lodging per night	Monthly cap	Factor
Berlin	75	180	1,100	1.000
Vienna	70	165	1,000	1.000
Zurich	95	240	1,250	1.250
Prague	55	120	850	1.000
Warsaw	60	130	900	1.125

A stay in a city not listed here is claimed at the Berlin rates.

4. Receipts

Every claim above 25 needs a receipt. A claim without one is paid at the manager's discretion and never above 25.

Uncontrolled when printed. The current edition is on the finance intranet.

5. Payment

Approved claims are reimbursed within ten (10) business days of the approval date, to the account on the employee's payroll record.

6. Approval

Claims are approved by the claimant's line manager. Claims by a director are approved by Priya Patel, Head of Finance.

7. Exceptions

Travel booked through the company account needs no claim.

Uncontrolled when printed. The current edition is on the finance intranet.
